### Lenten Folders

For those using the Lenten coin folders, it would be a great help to us if you would not tape individual quarters. Taping the quarters makes them very difficult to remove; it also makes them very sticky, which makes our bank very unhappy. The folders are treated especially gently to ensure nothing falls out. There is also a place on the folder for you to write in the total amount in the folder. As long as you write in the amount, there is no need to worry if a quarter or two become dislodged - you will be credited for the full amount. However, should you feel more comfortable taping the folder closed along the outside edges, please feel free to do so. As always, we thank you for your help.

### Play Cards For Hospice
