WE ARE ALL RUNNING

Do you believe in Fate?
That we've been traveling on the same path?
It's taken miles to make it here
But in the end it seems so clear

*We are
We are all running
We are all running the same race
We are
We are all going
We are all going to the same place*

How long have you been on this road?
And why do you carry such a heavy load?
Stay a while and ease your mind
The truth is rare and hard to find

Refrain

Long is the road we travel on
Hard is the shoulder we cry upon
Dark is the night before the dawn
The brightest morning is still to come

*We are
We are all running
We are all running the same race
We are
We are all going
We are all going to the same place
We are
We are all running
We are all running the same race*
